

# RNN Newsletter

## June 2018

### Garden Party May 20<sup>th</sup>

Thanks to Cindy and Tom Bates for opening their home and garden for our end of the RNN year party. Members and guests enjoyed being inside and outside depending on the weather at the moment!

### Interest Group Updates

Though most interest groups do not meet in the summer, the Travel Group has some outings planned and Koffee Klatch will meet on Tuesday June 19<sup>th</sup> at 10 am at Fusion Cafe. Below are descriptions of groups already established. Watch for more groups being formed soon.

**Film and Arts Interest Group** fosters socialization through the shared experience of films, plays, visits to museums, movies, and other activities of interest to its members. Members enjoyed the Spring into Summer Concert in Wakefield on June 3<sup>rd</sup> by the Middlesex Concert Band. Watch for upcoming activities.

**Travel** members initiate ideas and help to plan trips. In May we went to Castle Island in South Boston and the performance by the Middlesex Concert Band in Wakefield. We are planning to visit the Saugus Iron Works in July. We have events planned by others for June, July, and August and members on board to help with logistics. In the fall we will

meet as a group and come up with several more trips together.

**Koffee Klatch** meets monthly at a local cafe for friendship, food and fun. Our next Koffee Klatch will be on Tuesday, June 19, 10:00 at Fusion Cafe.

**Hot Topics** provides an opportunity for its members to meet at least once a month to explore topics of interest and/or concern in small or large groups. The subject matter for these meetings may have importance for society, on a personal level, be a matter of intellectual curiosity, or a topic that would just be fun to explore with others in friendly group conversation.

**Photography** group provides opportunity to view and discuss pictures, in museums, as well as in personal portfolios of group members.

## **Lend a Hand**

Members are willing to help you out all year round. When you need a helping hand for a short ride, to run an errand, bring over a meal or call or drop by for a visit contact
